

Chief Patron

Prof. C. R. Tripathy
Vice Chancellor, BPUT Odisha

Patron

Prof. D. Patnaik
Principal, GCEK, Bhawanipatna

Chairman

Prof. K. C. Panda
Professor & Head, CE Dept., GCEK, Bhawanipatna

Convenor

Prof. G. C. Behera
Asso. Prof., CE Dept., GCEK Bhawanipatna
Prof. P. K. Muduli
Asso. Prof., CE Dept., GCEK Bhawanipatna

Co-Convenor

Prof. S. Panda
Asst. Prof., CE Dept., GCEK Bhawanipatna
Prof. J. K. Naik
Asst. Prof., CE Dept., GCEK Bhawanipatna
Prof. S. K. Sahu
Asst. Prof., CE Dept., GCEK Bhawanipatna

Advisory Committee:

Prof. C. B. K. Rao, Prof., CE Dept., NIT Warangal
Prof. S. K. Das, Prof. & Head, CE Dept., IIT Dhanbad
Prof. P. K. Parhi, Prof., CE Dept., CET Bhubaneswar
Prof. T. Sahu, Principal, GCE, Keonjhar
Prof. S. S. Pusadkar, Prof. & Head, CE Dept., GCOE Jalgaon
Prof. S. S. Das, Prof. CE Dept., VSSUT Burla
Prof. S. B. Singh, Prof., CE Dept., BITS Pilani
Prof. B. Panda, Prof., CE Dept., IGIT Sarang
Prof. P. Pani, Prof., CE Dept., IGIT Sarang
Prof. R. P. Nanda, Asso. Prof., CE Dept., NIT Durgapur
Prof. B. B. Das, Asso. Prof., CE Dept., NIT Suratkal
Prof. S. R. Dash, Asst. Prof., CE Dept., IIT Bhubaneswar
Prof. T. K. Nath, Prof. & Head, Dept., IGIT Sarang
Prof. S. K. Dash, Asso. Prof., CE Dept., IIT Kharagpur
Prof. C. R. Mohanty, Prof., CE Dept., PMEC Berhampur

Technical Committee

Prof. T. D. G. Rao, Prof., CE Dept., NIT Warangal.
Prof. S. Sahoo, Asso. Prof., CE Dept., NIT Meghalaya.
Prof. G. K. Pothal, Asso. Prof., CE Dept., IGIT Sarang.
Prof. S. K. Patra, Prof. & Head, CE Dept., VSSUT Burla
Prof. R. K. Panigrahi, Asso. Prof., CE Dept., VSSUT Burla
Prof. T. Jena, Asst. Prof., CE Dept., ITER, Bhubaneswar
Prof. R. N. Behera, Asst. Prof. CE Dept., NIT Rourkela.
Prof. D. Giri, Asso. Prof., CE Dept., VSSUT, Burla

Organizing Members

Prof. D. P. Dash, HOD, EE Dept.
Prof. M. Rout, HOD, ME Dept.
Prof. D. R. Nayak, HOD, CSE Dept.
Prof. C. R. Dash, HOD, Basic Sc. Dept.
Prof. Priya S., HOD, Humanities Dept.
Prof. R. K. Swain, Asso. Prof., EE Dept.
Prof. A. K. Baliarsingh, Asso. Prof., EE Dept.
Prof. A. K. Patnaik, Asst. Prof., ME Dept.
Prof. S. Sahoo, Asst. Prof., CE Dept.
Prof. M. Priyadarshini, Asst. Prof., CE Dept.
Prof. M. Patnaik, Asst. Prof., CE Dept.
Prof. K. P. Sethy, Asst. Prof., CE Dept.
Prof. P. Harish, Asst. Prof., CE Dept.
Prof. V. M. Reddy, Asst. Prof., CE Dept.
Prof. N. Gupta, Asst. Prof., CE Dept.
Prof. L. P. Panda, Asst. Prof., Humanities Dept.
Prof. S. Patnaik, Asst. Prof., Humanities Dept.
Prof. M. K. Nath, Asst. Prof., EE Dept.

Finance Committee

Prof. J. K. Naik, Asst. Prof., CE Dept.
Prof. S. K. Sahu, Asst. Prof., CE Dept.
Prof. P. Harish, Asst. Prof., CE Dept.
Prof. N. Gupta, Asst. Prof., CE Dept.

ONLINE NATIONAL CONFERENCE on SUSTAINABLE MATERIALS AND PRACTICES FOR INFRASTRUCTURE DEVELOPMENT (SMPID-2020)

**Sponsored By:
TEQIP-III**

17th & 18th Sept, 2020

Organised By:

**Department of Civil Engineering
Government College of Engineering,
Kalahandi, Bhawanipatna**

Inaugural Ceremony:

**Date- 17.09.2020
Time-10:00 A.M**

About the Institute

Government College of Engineering, Kalahandi (GCEK) was established in the year 2009 by an act of Govt. of Odisha and stands a humble spectacle where tradition meets modernisation; aspiration meets inspiration, where our aim is to keep scaling new heights. Functioning as a constituent college of Biju Patnaik University of Technology (BPUT), Rourkela, Odisha, the college offers 4 years Under Graduate B.Tech degree programmes in Civil Engineering, Computer Science & Engineering, Electrical Engineering and Mechanical Engineering. GCEK also offers Master's degree in Thermal Engineering and Power System Engineering. The institute has been successful in keeping itself up to the standards by surpassing the expectation in producing a brand of engineers capable of adapting all over the world. The exact location is besides the NH-201 (Bargarh- Boriguma), about 5 Km away from Bhawanipatna on the way to Junagarh.

About Civil Engineering Department

The Department of Civil Engineering was started from 2009 with the inception of institution, Government College of Engineering Kalahandi with an aim to produce high quality Civil Engineering graduates to serve in different organizations. The Department offers B.Tech degree in Civil Engineering with intake strength of 60. In the department there are one Professor, two Associate Professors and eleven Assistant Professors. The faculty members of the department are well qualified having their highest degrees from reputed institutes like IITs and NITs. Department has well- equipped laboratories and state-of-art facilities for development of both students and faculties. The departmental vision is to accomplish excellence in Civil Engineering through innovation and research to serve the Nation.

About the Conference

Online National Conference on **SUSTAINABLE MATERIAL AND PRACTICES FOR INFRASTRUCTURE DEVELOPMENT (SMPID-2020)** focuses on emerging research and developments in infrastructure with emphasis on eco-friendly materials and practices. The infrastructures, which are being constructed today, will shape our lives tomorrow. The complex and diverse nature of the impacts due to climate change / weather extremes on civil infrastructures can be seen in our roadways, railways, bridges, flyovers, harbours, buildings etc. Extreme summer temperatures, flash floods, and rising numbers of freeze-thaw cycles pose challenges for civil infrastructure and can endanger public safety. Thus, civil infrastructures require constant attention, maintenance, and upgradation. Use of sustainable resources and design practices in various infrastructural sectors is the key to respond the impending crisis. Structural, geotechnical, environmental aspects along with transportation networks and water resources management are critical areas to be considered. SMPID-2020 provides a forum for the dissemination of latest technical information, publication of the high-quality research results and debate on the new trends in the area of infrastructure with lower ecological footprint.

Themes for Conference :

- Concrete Structures & Steel Structures
- Self Compacting Concrete
- Waste/Recycle Materials in Infrastructure
- Advancements in Mitigation of Structures against Natural Hazards
- Eco-Friendly Construction Techniques/ Practices
- Composite Materials
- Ground Improvement Techniques
- Environmental Geotechnique
- Sustainable Pavement Materials/Design
- Urban Water Treatment and Sewage Systems

- Solid Waste Management Systems
- Air Quality Improvement and Monitoring Techniques
- Developing Self Healing Techniques
- Coastal Infrastructure
- Flood Mitigation Measures

Submission of Paper:

Authors are invited to mail the paper with Times New Roman 12 font size to smpid2020@gmail.com. All the information about the conference can be obtained in the college website www.gcekbpatna.ac.in. Detailed information of all the authors (Name, Affiliation, mail_id and contact numbers) must be provided. The format for the full length paper will be shared to the authors. Plagiarism percentage should be below 20%.

Detail schedule and online platform will be intimated through participant's registered mail id later.

Important Dates:

Last date of submission of full length paper with format: **15th August, 2020**

Notification of review comments on full length paper: **20th August, 2020**

Last date of final submission of full length paper: **31st August, 2020**

Contact Details:
